Equity is a sort of equality. Equity aids the vigilant, and not those who slumber on their rights. Equity imputes an intent to fulfill an obligation. Equity acts *in personam*. Equity abhors a forfeiture. Equity does not require an idle gesture. He who comes into equity must come with clean hands. Equity delights to do justice, and not by halves. Equity will take jurisdiction to avoid a multiplicity of suits. Equity follows the law. Equity will not assist a volunteer. Equity will not complete an imperfect gift. Where equities are equal, the law will prevail. Between equal equities the first in order of time shall prevail. Equity will not allow a statute to be used as a cloak for fraud. Equity will not allow a trust to fail for want of a trustee. Equity regards the beneficiary as the true owner.
